S.N.1

Notification No.1, dated the 10th January 1931 from the Government of India, Finance Department, (Central Revenues).

A copy may be forwarded to the Collector and he may be requested to state whether he sees any objection to the Dangerous Drugs Act, being extended to the C. and M. Station, Bangalore.

2. A reference may also be made to him regarding the reprinting of the rules in the linked file, which would not be necessary now as the rules will have to be modified if the Dangerous Drugs Act is to be extended to the C. and M. Station.

The Collector's letter proceeds on the assumption that the Dangerous Drugs Act*, 1930 (II of 1930) can be applied to the Civil and Military Station by an order of the Resident. That is not so. A new law can be made applicable to the Station only by an order of the Government of India.

In paragraph 1 of S.N.4×, the Collector was asked whether the Dangerous Drugs Act should be applied to the Civil and Military Station and, if so, to forward a draft notification for the purpose. It is clear from the p.u.c that he is of opinion that the Act should be applied, but the draft notification forwarded by him for the purpose (Notification I) is not in order. Not only has the fact been overlooked that the Government of India's authority is required for the application of an Act to the Station, but section 1 (3) of the Act, under which it is the Government of India (not the Resident) that can fix a date for the coming of the Act into force in the Station, has also been overlooked.

The Act is to be applied by making the necessary amendment to the Notification of the Government of India, No.261-I, dated the 24th April, 1929. A draft is submitted, asking the Collector to submit the requisite draft notification. (The other points in the p.u.c may be considered on receipt of the Collector's reply.)

GOVERNMENT OF INDIA.

FINANCE DEPARTMENT (CENTRAL REVENUES).

New Delhi, the 15th March 1930.

From

V. S. Sundaram Esq.,
Deputy Secretary to the Government of India.

To

The Chief Commissioner of Coorg,
Bangalore.

Dangerous Drugs Act (III of 1930) - Bringing into force of - Your letter No.3180/76-28, dated the 12th September 1928.

Sir,

With reference to the correspondence ending with your letter quoted above, I am directed to forward a copy of the Dangerous Drugs Bill as passed by the Indian Legislature and to say that it received the assent of His Excellency the Viceroy and Governor General on the 1st March 1930 and will henceforward be called the Dangerous Drugs Act (II of 1930).

2. It has now to be decided when the Act should be brought into force by notification of the Governor General in Council, vide clause (3) of section 1 of the Act. I am directed to request that you will inform the Government of India what would be a date convenient to you for bringing the new Act into operation.

3. In considering this point you will take into account the fact

fact that existing rules and orders will, to a very great extent at least, remain in force under section 41 of the Act. This, the Government of India find, is equally true of rules made by Local Governments under the Opium Act or Excise Act which will in due course be replaced by new rules made under section 8 of the Dangerous Drugs Act by Local Governments, and of rules made by the Local Governments under the Opium Act and Excise Acts which will in due course be replaced by rules made by the Government of India under sections 5,6,7, and 35 of the Dangerous Drugs Act. The Government of India are therefore disposed to think that the bringing of the Act into operation need not await the preparation of revised rules, while the issue of declarations under sections 2 (j) (i) and 2 (l) (i) can await the preparation of such revised rules.

4. It is necessary that a notification made by the Government of India under clause (g) (ii) of section 2 should be so issued as to have effect from the date when the Act comes into force, but this can be easily arranged.

5. You may wish for time, before the Act is brought into force, to prepare orders under sections 22 (i), 30, 31 and 34. You may also wish for time to prepare for circulation to officers, reprints of the Opium and Excise Acts in their form as amended by Schedule II to the Dangerous Drugs Act.

6. The Government of India do not think there is any necessity to keep the Act in abeyance pending the issue of rules under section 3, which perhaps will never be used under section 5(3), which deals with a subject about which no rules have yet been made, or under section 7(2), the subject of which remains covered by Notifications under the Sea Customs Act which will be kept in force as long as required

required.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- V. S. Sundaram,
Deputy Secretary to the Government of India.

Sir,

I am directed to forward, for your information, a copy of the marginally noted papers received from the Government of India, regarding the Dangerous Drugs Act and to enquire whether the Act should be applied to the Civil and Military Station of Bangalore. If so, I am to request you kindly to forward a draft notification for the purpose.

- Notification No. 1, dated the 10th January, 1931, of the Government of India, Finance Department.

2. I am to observe that if the provisions of the Dangerous Drugs Act are to be extended to the Civil and Military Station, Bangalore, the rules already issued under the Opium and Excise Acts will require amendment as stated by the Government of India in their letter referred to above. I am therefore to enquire whether, under the circumstances, the reprinting of the rules forwarded with your letter No. R.C.R.239 of 28, dated the 12th February, 1929, may be deferred.

To

The Secretary to the Hon'ble the Resident in Mysore,

B a n g a l o r e.

Sir,

Subject:- Dangerous Drugs Act(Act II of 1930)-Extension to C.& M Station of Bangalore.

Reference:- Your letter No.1502/105-1931 dated 28-2-31

As the two enactments - Opium Act I of 1878 and Excise Regulation I of 1915- of the Government of India have been applied to the Civil and Military Station of Bangalore and the new Act II of 1930 is a modification of the two existing acts and aims at a more systematised and unfform control over the traffic in Dangerous Drugs, the same may also be brought into force in the Station, with effect from 1st May 1931.

2. The application of the Act would necessitate amendments to the existing enactments to the extent specified in schedule. II - vide pages 19 and 21 of Act II of 1930(original enclosed for perusal and return).An amendment to the existing Acts and a list of drugs as exempted, under sub-clause ii of clause g of Section 2 of Act II of 1930, in Government of India Notification No.3, Dangerous Drugs dated 10-1-31 may, therefore, be published.

3. Draft notifications are submitted for approval and publication under sections 23(1) and 30. The other sections 22(i), 31 and 34(2) have been omitted as the District Munsif and I class Magistrate by virtue of his designation is empowered by sections 22(i) and 31 to issue warrants for arrest and for search and to try offences under the Act. The power to order confiscation under section 34(2) may rest with the Collector and a delegation of the power seems unnecessary.

4. As the Commissioner of Excise intends revising the Madras Opium, Morphia and Cocaine Rules completely(copy enclosed), the publication of the Station rules referred to in para 2 of your letter may be deferred.
